Luka Kilasonia

React Developer

Rustavi, Georgia • +995 557 542 141 • kilasonialuka@gmail.com

Portfolio • LinkedIn

SUMMARY

Motivated web developer with hands-on experience in React.js, Redux, and modern frontend development, building responsive web applications through personal projects and a deployed portfolio. Also experienced with Angular and Python-based backend development using Django. Continuously learning through personal projects and online courses, and currently building foundational SAP skills (SAPUI5, OData) with a growing interest in SAP CAP. Seeking to join a collaborative team and deliver impactful user experiences.

TECHNICAL SKILLS

Frontend: JavaScript (ES6+), TypeScript, React.js, Redux, Angular, HTML5, CSS3, styled-components

Backend: Node.js, Python, Django, Django REST Framework

SAP: SAPUI5, OData V2 / V4

Tools: Git, GitHub, Postman, VS Code, Chrome DevTools

Database: SQLite

PROJECTS

Portfolio Website — React.js, styled-components, Vercel

- Built and deployed a responsive portfolio site to showcase projects and skills.

Trading Journal — React.js, Next.js, Netlify

- A web application to log trades, track performance, and review results over time.
